Wadhwani Ignite

Structured Learning Plan & Venture Journey Guide

1. Background

As you are aware, the Two-Credit Entrepreneurship Essentials (EE) Course, developed in association with the Wadhwani Foundation, has been embedded under the Vocational Skill Course (VSC) component of Semester V for the following undergraduate programmes:

- BBA
- BBA (International Business)
- BBA (Computer Applications)
- B.Com. (Business Management)
- B.Com. (Computer Applications)
- B.Com. (International Business)
- B.C.A. (Management)

The Centre for Innovation, Incubation & Linkages (CIIE), Savitribai Phule Pune University (SPPU) shall serve as the Nodal Centre for the planning, coordination, implementation, monitoring, and quality assurance of the Entrepreneurship Essentials Course across all affiliated colleges offering the above programmes.
In collaboration with the Wadhwani Foundation, CIIE will facilitate faculty capacity building, provide access to the digital learning platform and course resources, monitor student engagement and learning outcomes, and support institutions in the effective delivery of the course through standardized academic processes and continuous implementation support.

The Entrepreneurship Essentials Course aims to develop an entrepreneurial mindset, opportunity identification skills, problem-solving abilities, innovation orientation, and foundational venture creation competencies among undergraduate students through experiential, activity-based learning integrated with AI-enabled digital resources.

2. Purpose of the Guide

Ignite Bootcamp Full is a structured, step-by-step learning roadmap designed to guide students from program orientation to the completion of core venture activities and generate your Idea pitch deck for Milestone submission.

This guide integrates:

- Short concept videos
- Clear learning objectives
- Action-oriented venture activities
- A logical progression from problem discovery to solution, market, and financial understanding

By following this guide, students will not just learn entrepreneurship concepts, but actively apply them to build a viable early-stage venture idea.

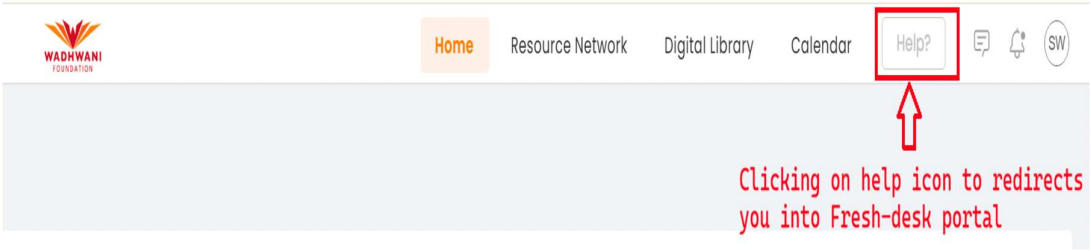

3. a. Resources

All learning resources for the Ignite Bootcamp are available online through the **Wadhwani learning platform**.
